

NPA Midwest Region members, WELCOME to **Midwest Retail Services**

Midwest Retail Services is a multi-line manufacturer distributor of merchandising and display products. At Midwest we work to provide solutions to display problems utilizing the resources of our many manufacturing and other vendor partners. Cost is always a concern at Midwest so we seek display solutions using standard display products along with cost effective enhancements to make them uniquely yours. If a custom solution is required, we have the manufacturing partners to make that happen as well.

Basic display products and solutions we provide through **MIDWEST Retail Services:**

NEW: E-Labs Video:

Compact and economical video player plays your own or vendors promotional videos. Memory card goes from your PC to the video unit for plug&play ease. Unit is network ready for direct connect to your store network.

Gondola Shelving:

Steel Gondola Shelving Systems featuring Streater, Madix, Lozier and StorFlex. Gondola and wall systems, end caps, modular security cases, counter and cash stands and storage systems. Hundreds of accessories and specialty displayers from each manufacturer.

Wood Shelving Systems from Lundia and Newood industries.

Wire Products:

Wire baskets and shelf dividers,

Wire grid panels, peg hooks, slatwall hooks and dump baskets.

Wire grid panel accessories.

Wire offerings include: open end baskets, stack baskets, fencing and binning dividers, grid panels, tables and dump bins, hooks and POP specialty fixtures.

Installation Services:

Have our crew professionally install your fixture package. Experienced installers know how to work with you and make the right field decisions that keep a project installation on schedule.

For more information please call us at 800-576-7577 and ask for Dean Sisson or Matt Ray or email: info@midwestretailservices.com.
